Brian had all this for our AOR summit 10 years ago. GAO wanted this. We are just not sure the notes from the summit were ever released to the States.

The AOR notes file was dated 4/10/03 and I can't find a later version. It appears to be a R6 draft of the notes because a 12/11/03 letter I have attached was to transmit the draft notes to the participants for comments. I don't know if it went out or not.
